Dear Facility Manager,

It is my pleasure to distinguish your facility as a "Rink of Distinction" based on the high caliber athletes who train at your facility and represent Team USA.

The U.S. Figure Skating Athlete High Performance Department recognizes the dedication and commitment it takes to develop elite level figure skaters, not only by the professional coaching staff, but the devotion of everyone at the facility from the rink owner, rink manager, rink support staff to the Zamboni drivers. This plaque is presented to recognize everyone in your facility that fosters the environment to promote elite figure skating in your facility.

Thank you so much for all you do and GO TEAM USA!

Sincerely,
